

PERMIT

For Tree Harvesting/Logging

Michael K. Donahue, Superintendent of Highways of the Town of Binghamton, Broome County, New York, hereby grants _____ permission to do the following work in the Town of Binghamton.

Describe fully all work to be done, including exact place, purpose, extent of work and estimated duration of time. Provide a sketch or map of the roads that will be affected by the Tree Harvesting/ Logging.

No person shall undertake any tree harvesting or logging without having first applied for and received a written permit from the Town of Binghamton Superintendent of Highways. A fee of \$ 200.00 dollars is required to be paid prior to the issuance of a permit.

An unconditional surety bond in the amount of 2.0 million is required for all permits for tree harvesting and logging operations and shall name as the Oblige the Superintendent of Highways and the Town of Binghamton guaranteeing completion of all required reclamation and road repair with respect to said tree harvesting and logging operations. The above bond amount is subject to a reduction upon application to and approval by the Town Board.
